## Upcoming Program

### Irene Schweiger

Irene Schweiger, the Executive Director of Sandy Springs Education Force will be speaking live to the Sandy Springs Rotary Club Monday, August 9th.

SSEF designs and implements free supplemental programs to engage, support and encourage our economically disadvantaged public-school students to excel academically, finish high school and then continue to a vocation or to college.

SSEF creates programs at the request of a principal and are therefore, embedded in the culture of each school.

SSEF collaborates with community organizations and businesses to bring individuals into the school to serve as role models, mentors, advisors, tutors or instructors to work with students under the supervision of a school administrator or teacher.

A much broader list of the activities and programs provided by the [SSEF can be found on their web site](#). The Rotary Club of Sandy Springs invites everyone to visit with us Monday and learn more about Irene and the unique work she and the SSEF does in our community.
