Last Week at Rotary

Rosemarie "Rosie" Henson, SVP at the American Cancer Society Presented

A cure for HPV related Cancer!?! - Really? - Yes!!!

Here are some highlights from Rosie's presentation.

What if we had a vaccine to prevent cancer?

We can prevent >90% of HPV cancers through vaccination.

In 2012, there were 14.1 million new cases across the world. We expect there to be 21.7 million new cases globally by 2030.

HPV Causes Six Cancers

About 31,500 cases of HPV-related cancers per year

Nearly 530,000 cases of cervical cancer per year

CAMPAIGN MESSAGES

1. HPV vaccination is cancer prevention.
2. The HPV vaccine series is best when given at age 11 and 12.
3. The vaccine is safe and effective.
4. The vaccine is for boys and girls.

Upcoming Program

Looking Forward: August 6th - Dr. Shannon Flounnory Executive Director of Safety and Security for Fulton County Schools

Looking forward: August 6, 2018

Our guest speaker will be Dr. Shannon Flounnory. Executive Director - Safety and Security for Fulton County Schools.

His mission statement is to provide a professional, timely and efficient response and recovery plans, ensure the health and well-being of our students and staff, comply with applicable laws, identify risks, and mitigate liability to create a safe, nurturing and secure school district. The Department of Safety & Security is comprised of three separate departments that include School Police, Student Health Services, and Emergency Operations.

His responsibilities fall under 3 major headings: School Police Department, Student Health Services, and Emergency Operations.

More information can be found here:
